I wish to arrange bus transportation to and from school for my child(ren) in accordance with the Transportation Regulations of the Sudbury Public Schools.

All students in grades K through 6 who live within 2 miles of their school are required to pay for bus transportation. The fees are as follows:

**One Child      \$350.00 per year**  
**Additional Child      \$285.00 per year**  
**Family Maximum      \$635.00 per year**

Please make checks payable to **Sudbury Public Schools** and complete the student information requested below. Mail check and this form to Jean Natale at the above address.

There is a scholarship policy providing free ridership for those families who are currently enrolled with the AFDC and those who have proven their eligibility for the free or reduced price lunch program. If you are requesting a scholarship, please submit your request in writing accompanied by proof of your eligibility to Jean Natale.

**NOTE:** Bus passes are not automatically issued to students who live beyond the two mile limit and have free busing. You must fill out this form and return it to Jean Natale in order to receive a bus pass.
